

Equipment Breakdown

Homeowners

Safeco Insurance® is pleased to offer an affordable alternative to costly product and home warranty plans with our equipment breakdown coverage through our homeowners insurance policy.

Safeco's equipment breakdown coverage is a unique coverage that extends to your essential home systems and personal property. It provides protection in the event of an unexpected mechanical or electrical breakdown not caused by normal wear and tear or corrosion. This coverage is convenient, seamless and just **\$2 a month**.

It may also replace costly coverage provided by home warranties and big box retailer extended warranties that can be confusing and burdensome to manage. Now you have an alternative way to protect both your belongings and your budget.

Not only do we offer a competitive price and great protection, we also will replace a covered appliance with an Energy Star® rated product of like kind and quality.
